

# Tell Us About Your Bad Job

## Unpaid wages?

## Unpaid overtime?

## Employer taking your tips?

## Unfair firings?

Unfair treatment of workers is all too common in British Columbia.

Few people know their rights, and getting justice from a bad boss can be nearly impossible.

The BC Employment Standards Coalition is campaigning for better employment laws and stronger enforcement for all workers.

### Tell your story.

Join us to share your story. You can tell us about a current problem or even something that happened within the past 10 years.

You can also learn about your workplace rights under the *Employment Standards Act* and other BC laws. If your case involves a legal violation, we will offer advice and can help you to start a complaint.

Interviews will be done by experienced advocates. You can choose to tell us your name and the name of the employer, or choose to be anonymous.
